THORNE STAR!

Bella Thorne busts out in Italy

SEPPO actress Bella Thorne got into the sexy, Italian way of things at the Venice Film festival by freely airing one of her perfect chest LASAGNAS.

The 21-year-old star of *Alvin and the Chipmunks: Road Chip* forgot to do up a few of the buttons on her blouse, and wouldn't you know it, a breeze came along and did the rest.

But she probably didn't mind. She likes a bit of flesh, apparently.

"I like sexy. So for me, it's okay," she gushed in an interview this year. "I love skin, like I love seeing skin. I like sexy girls, I like sexy guys... I like sexy in general, you know?"

WE know. Yeah, it seems like the former Disney child star is letting it all hang out in more ways than one.

The self-confessed PANSEXUAL (we think that means she gets the hots for cookware) has just finished directing her first PORNO, titled *Her & Him*, which premiered at a German film festival a couple of weeks ago. ■ Picture

READ ALL ABOUT TIT!

STACEY POOLE BARES ALL

EVER wondered what goes into the care and maintenance of a prize-winning pair of tits?

Deep tissue massages? Expensive French moisturiser? Regular pep talks from a life coach to make sure they reach their full potential?

Nuh. According to expert big boob wrangler Stacey Poole it's all about giving the snuggly buggers a warm and nurturing environment in which they can flourish.

At least that's what we think she said. We were a bit distracted.

"It's all the swimming to keep them toned," she informed us, directing our eyes upwards.

"Supportive bras to keep them in place, and seeing, as I think of my nipples as eyes, and when they are out and about and looking around they're super-happy and free."

So that's why Stacey's double-G assets look so bloody pleased with themselves! 'Cos at the rate she gets 'em out it's like they're on a permanent sight-seeing tour!

But Stacey, a fixture on the UK topless modelling scene for the past seven years, reckons it's the least she can do after all her tits have done for her.

"I'd be lost without them, really. Every time when I take my car to the garage for service I make sure I put on a low-cut top and somehow they forget to charge me!"

So it's no wonder Stacey is always taking her knockers away for expensive foreign holidays, where they can frolic in the sunshine.

"I hate sun tan lines when I go on holiday, so they are always out getting tanned. They're so much happier brown."

Yay! We love a happy rack! ■ Picture

EXTRA! EXTRA! READ ALL ABOUT TIT!

MAJORCA!

They used to say that the sun never sets on the British Empire. What that's got to do with India Reynolds getting topless at sunset on a beach in Spain is anyone's guess.

LAS VEGAS!

We're not sure whether Californian porn star Darcie skips to keep fit for fucking, or fucks to keep fit for skipping. Either way, it looks like a helluva lot of fun.

GREECE!

Perky blonde Casey, and Oxana – the other one – can often be found together on the internet playing nudey dildo games with each other. They seem to do a lot of that sort of thing.

IBIZA!

Pommy model Kelly Hall is obsessed with working out yoga and swimming. We're obsessed with her floaties.

BRATISLAVA!

Run out of clean undies? Just follow super cute Ukranian babe Kay's fine example and don't wear any at all.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

The loser's a handbag

CROC FIGHT!

TWO of the NT's biggest, meanest salties have chucked on a memorable stoush for the tourists on the Adelaide River that was 10 times better than that last Jeff Horn fight. The big pair – both about six metres long – were apparently scrapping over a dead chicken hung off a croc-watching boat, but it's more a matter of establishing who's the daddy on the stretch of river where they both hang out. At the final bell the judges couldn't split them and it was declared a tie. See ya next fight night!

He'd lend you a cup of rum!

NICE TO MEAT YOU

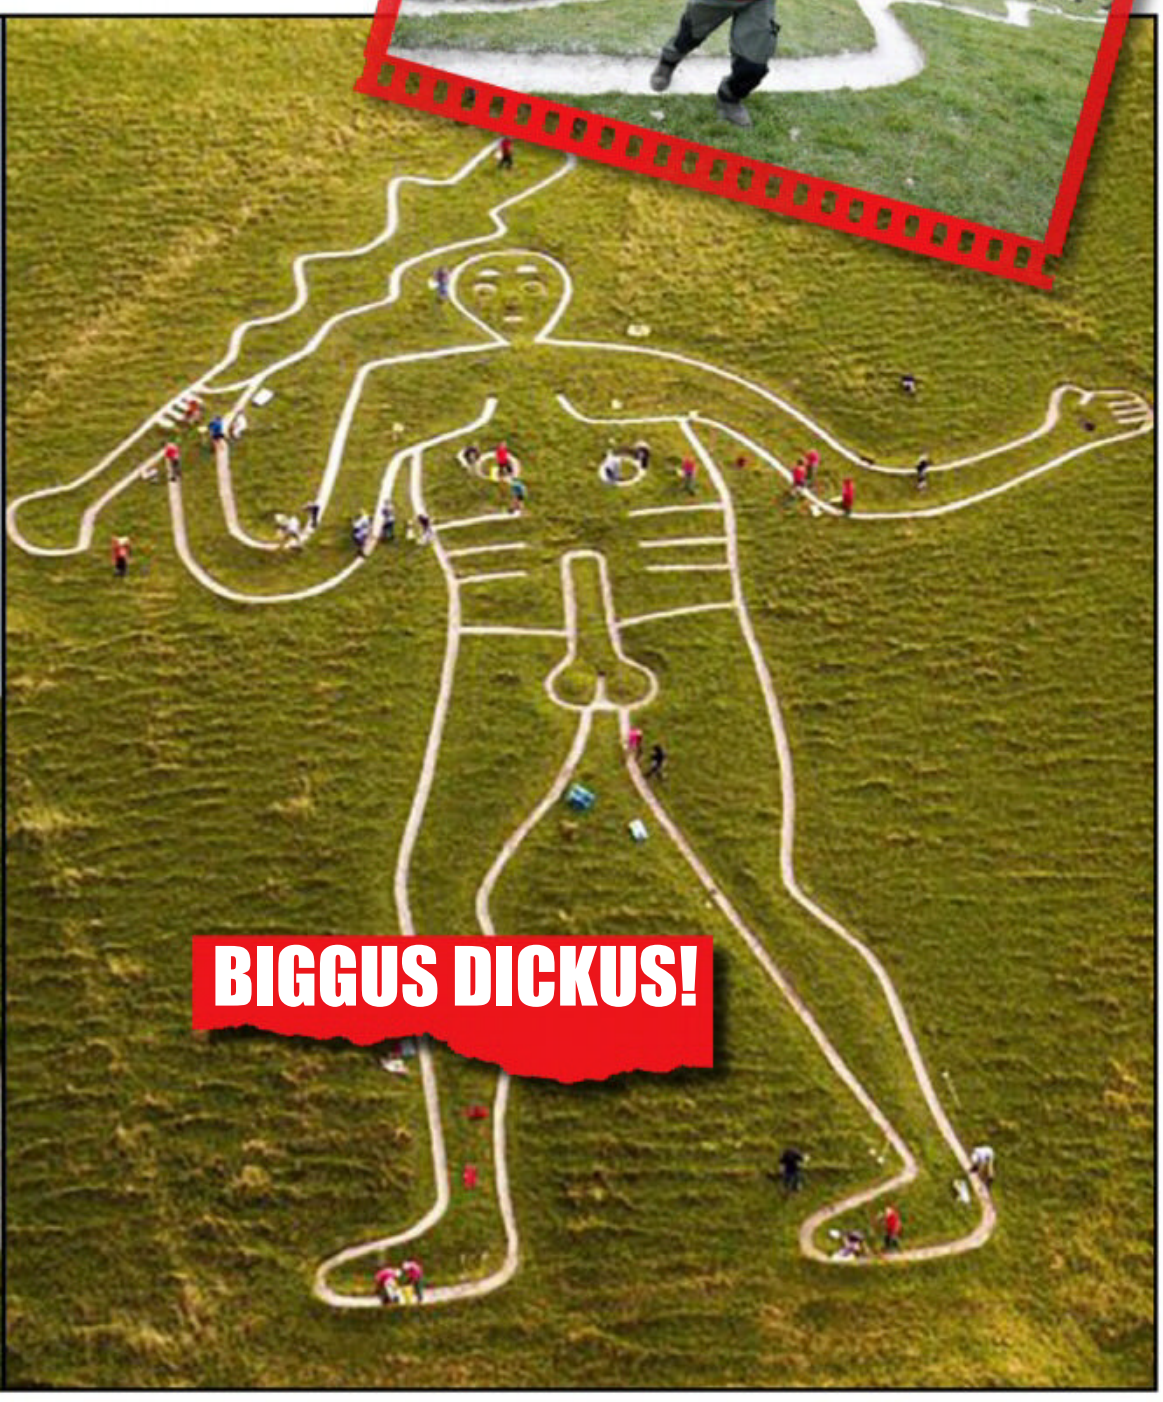
A PISSED-off West Australian vegan took her neighbours to court to stop them from barbecuing in their own backyard 'cos she reckons the smell was wrecking her life. Cilla Carden, from the Perth suburb of Girrawheen, said she couldn't enjoy her backyard in peace, claiming her neighbours deliberately placed their barbie to allow their barbecue smells to waft into her yard. A tribunal chucked her case out, and she was refused the right to appeal to the Supreme Court of Western Australia for another shot.

THEY DREW A COCK ON IT!

THE world's biggest graffiti stiffie is getting a TOUCH-UP. The 12 metre-long hard cock sprouting from the groin of Cerne Abbas Giant – the giant figure of a bloke carved into the turf on a hillside in Dorset, England – was getting a bit shabby so volunteers have stepped in to spruce it up. Along with the 60 metre-tall bloke it's attached to, of course. The Giant has been there since the seventeenth century and about every 10 years he needs a fresh coat of chalk to keep his yoooj dick looking its best.

SMELL MY FINGER

SEPPO sex expert Shan Boodram reckons there is something a woman can put behind her ears to make her irresistible to men – and, no, it's not her ankles. LA-based Shan's a fan of 'vabbing' – dabbing some of her smoo juices on as perfume before she goes out on the pull. "It makes me feel like an enchanted goddess with a delicious secret," she says. The idea is that it turns blokes on more than any store-bought perfume. Shan reckons she's had "mixed results" with vabbing, but it always makes her feel REALLY SPESH.



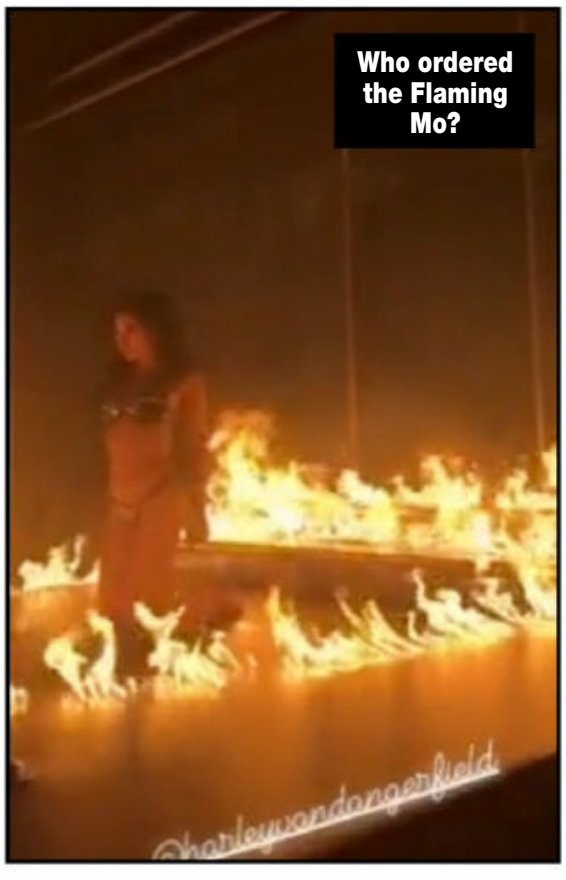
BIGGUS DICKUS!

FLY FISHING

THE Civil Aviation Safety Authority is trying to track down this bloke, filmed fishing while dangling from a home-made drone over the Upper Coliban Reservoir in central Victoria. They want to charge him with something, they just haven't worked out what yet. The bloke is in a chair attached to the drone, VB in beverage holder rod in hand. And he even catches a fish! CASA reckons there are some safety issues there. We reckon he's a hero.

HOT STUFF!

A CONTESTANT at this year's Miss Nude Australia put in a performance so hot, she caused $3000 worth of damage. Harley van Dangerfield squirted some flammable liquid around the stage and lit it to give her act that extra 'oomph', but she hadn't counted on the flames spreading to the curtains at the back of the stage. She stripped on regardless while the room got pretty warm and a few punters were rumoured to have been seen barbequing their sausages over the flames, but once the sprinklers went off it damped things down a bit and no-one was hurt. Not surprisingly, Harley was disqualified.



WE DREW A COCK ON IT #352

BURN, BABY, BURN!

Revheads go to Alice – tyres go to hell!

LOCALS and visitors alike, everyone was lovin' the heady combination of burning fuel and smoking rubber at this year's Red CentreNATS, Alice Springs' answer to Canberra's Summernats.

Spread out across several venues were the usual events and judging, but all eyes were on the Alice Springs Inland Dragway for the burn-outs, where hundreds of innocent tyres were being cruelly put to death over the three days.

And everybody really appreciated it when Darryl Ferguson's outrageous flatbed truck SMOKNRAT unleashed the smoky fires of hell into the clear Territory sky, as is the time-honoured custom.

Asked afterwards if the RAT was the toughest truck in Oz, he thought for a moment and replied: "I would say so."

A man of few words, Darryl, but we think he's right on the money there. **Picture**

'DAY. Giz a plate of caviar sangers and a crate of top shelf French goon? Fuck ya then.

Lately, I've been slogging my guts out at fashion shows keeping tabs on all the model babes as they ACCIDENTALLY let their tits fall out of the dresses they're supposed to be wearing.

Here's a tip – MORE BUTTONS, designer blokes! Dead set, it's not fucken rocket science.

But now that I think about it, the tits falling out all over the place really make the fashion scene what it is.

'Cos without the tits, it'd just be a bunch of clothes.

I just thank fuck for the finger food and free piss. ■Picture

I CALL IT MY 'NOSE BRA'

Sarah THE INCRE

Her norks are the stuff of legend!

IT'S not often you come across (snerk!) a pair of tits SO HUGE the Poms can't handle 'em.

'Cos they love their big tits, the Poms.

But that's what happened to Sarah Randall and her LEGENDARY LUMBAGOS.

Sarah was just a wee slip of a girl – with enormous hooters – when she started posing for Pommy men's mags back in 2011.

To this day they reckon she had the biggest tits of the era, over-shadowing contemporaries such as Sophie Howard, Melissa Debling and Emma Frain.

Then Sarah made the move onto Page 3 of UK newspaper The Daily Star, and that's where things went HAYWIRE.

See, The Daily Star was built to take tits only double-G and smaller, and word has it that Sarah UNDERQUOTED on hers to sneak in.

So when they appeared in March 2011, all HECK broke lose.

The Daily Star just couldn't take it. There was no room for any of the other important newspaper stuff – TV programs, footy scores, Lotto results – so Sarah and her double-H tits had to go.

Luckily, she's had a long and lucrative career hauling them out for men's mags ever since, so all's well that ends well. ■Picture

OLE TION!

ONE squiz at stunning Sydney babe Bailey Reign and you'll see she's built to be in the buff. In fact, as far as the sport of nudity goes, she's the NSW CHAMP and will be competing against the rest of the country at the Miss Nude Australia contest.

"I love being Miss Nude NSW," Bailey told THE PICTURE. "It's so exciting. I wear my sash around the house."

Tell us about your road to nude superstardom.

"I've been dancing for most of my life. I'm an ex ballerina."

That explains the flexibility! Which part of your act do blokes go crazy about?

"When I'm fully nude of course! The wet portion of my show is a personal favourite, though."

You have a beaut bum. Please explain!

"I really enjoy staying active and sexercise keeps me very healthy."

What have you got planned for the Miss Nude final?

"I would love to make my cheerleading routine even bigger and better for the final."

Does anything funny happen to you up there on the pole?

"As coordinated as I look when I perform, I stack it all the time."

Long may you Reign, Bailey. Picture

BEAUTY QUEENS GONE BAD!

MISS GREAT BRITAIN 2006

Pommy model Danielle was stripped of her Miss Great Britain title after appearing nude in an issue of *Playboy*. She later won the celebrity edition of *The Weakest Link*.

Pageant babes with their pups out!

AREN'T beauty pageants BLOODY TOPS! A bunch of people talking about World Peace, the occasional xylophone solo, and chicks walking around who are hotter than a two-dollar Ferrari.

The only QUARREL we have with 'em is that for some ridiculous reason they hate it when chicks get their racks out. In fact, they hate CHEST PUPPIES so badly, that if nude pics of a contestant are found, they get SACKED!

Luckily, we have no such PREJUDICES here at THE PICTURE and will happily celebrate these beautiful NORKS-OUT women! Picture

Since winning Miss USA in 1991, Kelli has appeared on *Beverly Hills 90210* and 284 episodes of *Passions*. But we're more interested in her 2009 hard core porn flick *Faithless*.

A YOUNG boy comes running down the street looking for a cop. He finds one and then begs, "Please, officer, come back to the pub with me, my father's in a fight."

They get back to the bar and there are three blokes brawling in the street.

After a while the cop turns to the kid and says, "Okay, which one's your father."

The kid looks up at the cop and says, "I don't know, officer, that's what they're fighting about."

"Your light was on."

The third guy says, "My son is an executive, and he is doing so well he just bought his friend a new house!"

JOKE OF THE WEEK WINS $100

BARRY is in the 10th year of a life sentence when he gets a new cellmate, Jim.

After taking some time to size Jim up he decides that he can trust him, and Barry tells Jim about his plan to escape.

"You see," Barry says. "For the first five years I was inside, I trained my digestive system to follow my command. Now I can eat something and it comes out broken down into its components."

Jim is sceptical, but intrigued.

Barry continues: "For the last five years, I've been swallowing pieces of my uniform. It's perfect, because the guards just think its rats chewing on it."

So Jim asks, "Well, what does that have to do with me? How can I help?"

"Well," Barry explains. "The pieces of fabric come out as individual fibres. I figure by this time next year, we'll have enough fibres to fashion enough rope to get over the wall. I just need you to tie all those loose fibres together."

Jim, disgusted, says, "You have got to be kidding me!"

To which Barry replies, "I shit. You knot."

KIM, VIA EMAIL

A BLOKE is sitting at home when he hears a knock at the door. He opens the door and sees a snail on the porch. He picks up the snail and throws it as far as he can.

Three years later there's a knock on the door. He opens it and sees the same snail. The snail says, "What the bloody hell was that all about?"

PETE, VIA EMAIL

TWO campers are walking through the woods when a huge brown bear suddenly appears in the clearing 15 metres in front of them. The bear sees the campers and begins to head toward them. The first bloke drops his backpack, digs out a pair of sneakers, and frantically begins to put them on.

"I don't need to outrun the bear," the bloke says. "I just need to outrun you."

"I FEEL LIKE HAVING A BABY AND HAVING A DOG ARE PRETTY MUCH THE SAME EXCEPT FOR THE PART WHERE YOUR VAGINA GETS RUINED."

"Southwest Airlines is like my period: it hurts my back and it's always late."

"STAND-UP IS A LOT LIKE SEX. THERE'S A LOT OF CRYING INVOLVED AND I GET PAID TO DO IT."

"I really hope cell phones aren't bad for us, but I would like the excuse, 'I can't talk right now. You're giving me cancer.'"

THIS WEEK: BANKERS

Q. WHY ARE THE HEARTS OF BANKERS IN SUCH STRONG DEMAND BY TRANSPLANT PATIENTS?
A. BECAUSE THEY'VE NEVER BEEN USED.

A BLOKE entered a bank, walked to the teller at the window and said,"I want to open a fucken account."

To which the shocked lady replied, "I beg your pardon, what did you say?"

"Listen up, shit tits – I said I want to open a fucken account right now."

"Sir, I'm sorry but we do not tolerate that kind of language in this bank!" the teller yelled.

She left the window in a huff and went over to the bank manager and told him about her situation. They both returned and the manager asked the bloke, "What seems to be the problem here, sir?"

"There's no fucken problem, arsehole," the man said. "I just won $50 million in the lottery and I want to open a fuckin' account with this piece of shit bank!"

"I see, sir," the manager said, before turning to the bank teller. "And this bitch is giving you a hard time?"

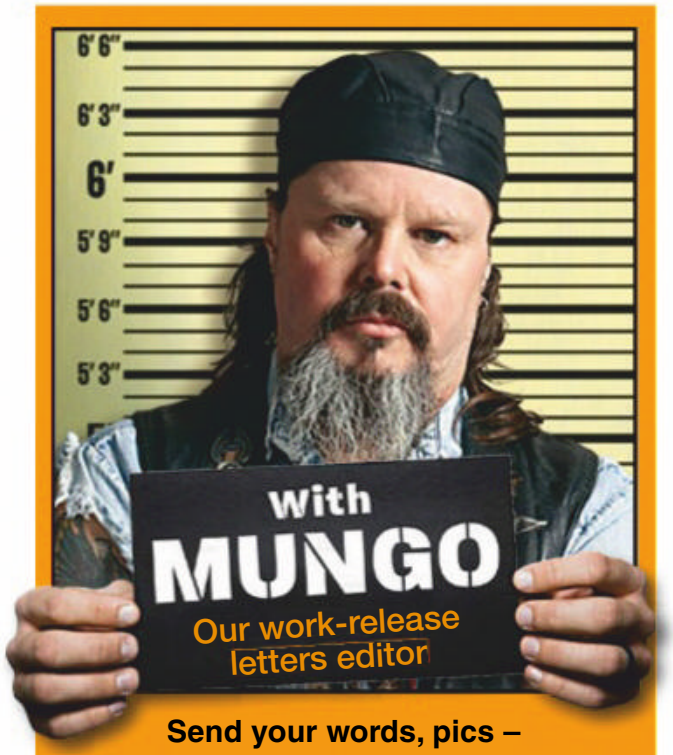
GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:
https://twitter.com/ThePictureMungo

LUV YA, TED!

G'DAY Mungo. That great Australian Ted Bullpit, from the 80s TV show *Kingswood Country*, had an expression for when he was really surprised – "Pickle me grandmother!" I just wanna chuck that in because I still say it and I think the country would be better off if more people went around saying: "Pickle me grandmother!" Am I wrong?

M.K., BOX HILL, VIC

MUNGO SAYS: No, you're not wrong. The more people going around randomly saying: "Pickle me grandmother!" the happier I'll be.

ANGIE AND BELLA!

BEING a huge fan of Angela White, something caught my eye when I was flicking through the 50 Home Girls in #1491. It was Bella from Melbourne, who said she is a webcam girl. She reminds me a lot of Angela, and if she did full-on porn she'd be a sensation. I hope she does. There aren't enough natural-looking babes like her and Ange in porn these days.

K.P., BEAUDESERT, QLD

MUNGO SAYS: Yeah, Angela sets the benchmark in porn for the happy natural look. And Bella's got that, too. But it's a big leap from posing in front of your computer at home to rooting people on a porn set. Baby steps, K.P.

WHERE ARE THEY NOW?

YOUR question about lost hotties made me think, so I came up with a few Aussies that might be worth getting back in the mag: That little pocket rocket Arianna Starr; the luscious Oz porn star Gigi Allens; your Tits or the Twenny girl Scarlett Morgan, who we haven't seen for a while; and going further back, your trainee reporter Kylie The Prentice. That'll do for starters.

KEITH, WOLLONGONG, NSW

MUNGO SAYS: All much loved spunks, mate. The ever elegant Arianna has moved on to things educational and sporty, so you'll just have to hang on to your memories there, Keith. Hell knows where Kylie went – back to Yorkeys Knob, probably. But GG's still about and occasionally comes back to Oz, so we may see her in the mag again, and Scarlett is still around being the smilingest, happiest big tit spunk she can possibly be. She'll definitely be back!

YOUNG CARL

HEY Mungo, I've been playing around with that program where you can age somebody's photo or make them look younger, and I applied it to your mate Carl Lagerfuelled. The funny thing is, when I made him older, he looked just the same, and when I made him younger, he looked like a outcast from some 1990s boy band. Which made me wonder – was Carl ever in a boy band?

P.H., KYLE BAY, NSW

MUNGO SAYS: Old Carl's got one of those faces that looks not just lived in, but like someone's broken in , had a party and trashed the joint while the owners are on hols. Young Carl's got it going on, though. I don't know anything about his boy band past, though. What group do you reckon he was in? New Drunks on the Block? 'N Sinkhole, maybe?

MEAT VS VEG

HEY Mungo. How did that Liam Hemsworth bloke let Miley slip through his fingers? I always thought she was a dead set hottie and seemed like a barrel of fun, and she could sing a bit too. But now, according to your page three story in #1491, apparently she's dumped him and is now into other chicks. What I want to know, Mungo, is can you get her back on the meat-eaters team? You da man, and if you can't do it, nobody can.

M.L., MARYBOROUGH, VIC

MUNGO SAYS: Who knows what could happen if she clapped her eyes on me. She just might have a serious re-think about her beaut new vagitarian diet. It's happened before and it's all part of the service I offer.

MUNGO WANTS TO KNOW...

Aussie culture – shit or grouse, readers? Tell me what you reckon the highlights are, and the lowlights, and we might do a couple of lists.

SICK PICS

YOU WON'T BELIEVE YOUR EYES

EAT HOOF, MATE!

JAWBREAKER!

YOU don't often think of horse-racing as a combat sport, but French jockey Erwan Bureller suffered a severe biff in the boat race while he was riding in a jumps race at Craon racecourse the other day. Erwan was doing fine on board favourite Sulfite until they came up to the biggest jump of the course, and suddenly it all went to shit. Maybe it was just a pre-arranged tactic to put one over on the bookies, but right at the critical moment Diamond Dark, just ahead and ridden by Romain Julliot, did a header into the turf, somersaulted and kicked Erwan right in the kisser, giving him a bad case of hoof-in-mouth disease. That'll rattle ya fillings! Erwan's jaw was busted straight away, but curiously the two horses and the other jockey walked away without a scratch. Stewards' enquiry? You bet!

IN BED WITH KIKI

PENETRATING QUESTION

G'DAY Kiki, all the boys here in jail reckon you're hot and that your column rocks. Now, to the point of my letter. Do you like anal? Some of the blokes here reckon you'd only have sex the other way, but I reckon you wouldn't mind experimenting. Please explain.

M.D., ROCKHAMPTON, QLD

***KIKI SAYS:* Hey naughty boys! I love to anally fist myself, and don't mind a bit of backdoor action in my personal life because I love that feeling of a guy blowing his load inside me! The reason why there's only one porno of me doing it Greek style is because I signed a contract and got paid a lot of money to do one exclusive scene. But when that contract expires I can't wait to do a DP scene. You all better watch it!**

TRIPLE TROUBLE

I'VE had a couple of threesomes in the past with my ex and another girl, and I really, really enjoyed them. I'd love to have another one with my new partner, but we're finding it hard to find a girl who's up for it. I don't know how to go about it, 'cos I'd feel stupid walking up to a hottie and saying, "Hey baby, wanna root?" Got any suggestions? You always seem to have good advice!

SAM, BENDIGO, VIC

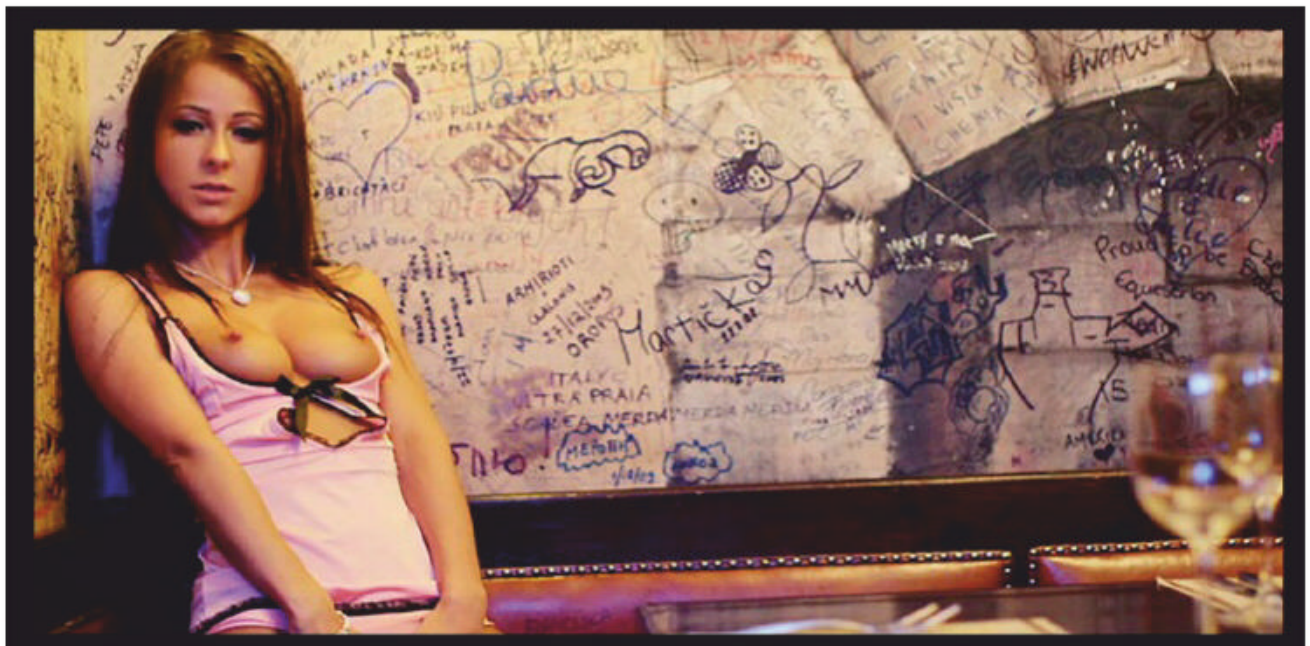
***KIKI SAYS:* Hey Bendigo boy, you've gotta get with the times. You'll be lucky to find a chick who's keen for a threesome with that pickup line, but if you search online you'll definitely strike gold! If not, you could always ask your ex if she's keen.**

TWO OF A KIND

HOLY fuck, do you have a twin sister? I was at my local Kmart the other day and I saw this glamma trying to pick out a bikini and she looked EXACTLY like you. Fuck me, she was stunning. She had your norks, an arse I'd eat for hours and I could even see a hint of box in her tight lycra pants. It was grouse. I was so turned on I couldn't even speak to go and try to pick her up. If someone made a clone of you, do you reckon you'd fuck yourself? I'd love to root the two of you at the same time!

MAL, GOLD COAST, QLD

***KIKI SAYS:* If it was at Pac Fair then it probably was me. I am a Gold Coast girl and I do love myself a Kmart bargain. It's a shame you didn't come say hi... I would've loved an extra hand in the dressing room while I tried on bikinis.**



KIKI'S SEX CONFESSION

"I recently went through a crazy masturbation period, where I'd rub one out every day, about three times a day, for roughly four months. I ended up flicking the bean whenever I got the urge, so of course I ended up masturbating in some strange places. The weirdest would have to be at a restaurant. My table had a floor length tablecloth and I needed to pass some time until my food came out."

And to answer your question, bloody oath I would.

VIRGIN HERE

HI KIKI, I was just wondering if you have ever taken anybody's virginity because I'm 21 and still a virgin and it seems like I can't lose it, so do you have any advice for me?

SIMON, GYMPIE, QLD

***KIKI SAYS:* I'm not falling for that one again. If I could undo every fuck I had with a guy using that pickup line – I'd practically be a virgin myself. But I do love hearing it, and I probably would fuck you. I'd have to meet you first.**

MARATHON MAN

HI KIKI! I've started seeing this new chick who I really like, and one of my mates went out with her a year or so back and he tells me that she's a total nympho and likes to have sex for five or six hours at a time. Bloody hell, I could watch the *Lord of the Rings* movies in that time. Now, I'm not complaining about having a girlfriend who likes to root, but I'm worried I won't be able to make it through a monster fuck sesh like that, and I'll disappoint her. I reckon you've had a few marathon bonks in your time, so what's the secret to being able to go that long without dying?

DOUG, RICHMOND, NSW

***KIKI SAYS:* To be honest Doug, I reckon your mate had trouble finishing what he started. What guy keeps a raging boner for 6 hours? Even guys in porn are wrecked after an hour. Sounds like he has some ED or he takes viagra (which makes it mighty difficult to cum). Trust me, your nympho babe will much prefer you in the sack. But if I'm wrong, just eat her pussy with the Lord of the Rings movies playing in the background.**

THE TONGUE AND THE RESTLESS

DO YOU like having your arse licked? It seems like heaps of chicks are getting into that these days.

M.H., ABERDEEN, NSW

***KIKI SAYS:* I sure do and I like licking arse, too. It's called a rim job. Or anilingus. Or tossed salad. And then there's a rusty trombone variation... I highly suggest giving it a swirl.**

ON SALE NOW

Slippery WHEN WET!

Viola Bailey's rack is back

SLIP 'N' SLIDE ANYONE?

NO PRIZES for guessing why uber-titted Latvian hottie Viola Bailey is one of our favourite models.

A couple of reasons, and they're staring you in the face right now. But what's that you say? We've seen Viola and her lovely tits plenty of times before – WHAT'S NEW?

Well, Viola anticipated you'd expect a different twist on things, so before this photo shoot kicked off she spent hours with a couple of bottles of Crisco and a loofah, carefully coating herself.

Now here she is, all tricked out like some kind of beautiful, self-basting turkey. And along with looking good enough to eat, she's as goddamn cheeky as ever.

“I THINK THEY ARE STILL GROWING”

"I ALWAYS WANT TO FUCK"

"I love posing nude!" the 23-year-old growls. "I like thinking about all the guys and girls looking at my pictures."

Blokes might be doing more than just looking...

"I know. And that thought turns me on. I enjoy pleasing others – in sex, giving presents, in every part of my life."

Do you prefer giving or receiving oral sex?

"Giving. I love sucking my partner's dick and looking up at him while I'm doing it. It's very sexy to make eye contact while sucking penis."

No arguments here. Your LUNGBAGS look enormous – have they gotten bigger?

"They change all the time! I think they're still growing."

Wow! There is a God! Had any hot RUMPY-PUMPY lately?

"Yes, I had SOME really good sex after a night out with a man I've been seeing. We were both a little bit drunk and very horny. We started off on the couch but ended up tearing each other's clothes off and fucking like crazy on the lounge room floor."

Sounds wild. Are you a what they call a NYMPHO?

"I ENJOY PLEASING OTHERS"

"Well, I really enjoy sex. But I think everyone does. I've never dated a guy who didn't want to have sex with me all the time."

You've looked in the mirror, right?

"Yes, but I always want to fuck, too. I'm very adventurous and love trying things outdoors."

Alright! We'll pack the sunscreen! ■ Picture

Miranda will have fun wherever she goes

TURNS out we've been lied to and everything is NOT bigger in the YEW ESS of AY. At least that's what 25-year-old Seppo backpacker Miranda tells us.

"Aussie guys have bigger dicks than Americans," croons the Byron-based traveller. "The biggest cock I've ever seen was on an Aussie the other night."

How'd this come about then, Miranda?

"I met him at a club in Byron and we went back to the campsite that he was staying at and had wild sex in his tent. It was awesome."

Any fellow campers catch a glimpse of the action?

"One of his friends was in the sleeping bag next to us, so he definitely heard. I was kind of hoping he'd join in."

Did you invite him?

"No, he was pretending to be

rica's lent!

“WE HAD WILD SEX IN HIS TENT!”

asleep even though I was practically screaming! He was probably masturbating."

He's only human. Have you done much AL FRESCO FUCKING?

"Yeah, especially since I've been in Australia. You guys just have the best climate for having sex outdoors. Like, why would you even fuck indoors?"

How long are you down in GODZONE for?

"I'm doing the east coast. I started in Sydney and am working my way up. I'm really excited to go to Cairns. Maybe I can meet a hot Aussie guy to marry while I'm there!"

READER'S ROOTS FROM AROUND OZ

LOVE THY NEIGHBOUR

I'VE been with my missus for a decade, so our sex life isn't as robust as it once was. That was emphasised when a young couple moved in next door and started rooting each other all the time.

At first it was funny, but then it got on our nerves 'cos it would keep us up at night. So I came up with a plan: "We'll out-fuck them," I grinned, and Karen nodded in agreement.

I stripped off her clothes, did a few stretches and stuffed my todger into her aching lunchbox. She gave out a gasp of pleasure, then proceeded to wail in ecstasy as I pounded away at her.

The young couple were still going at it, so I pulled out and then jammed my dong in Karen's backdoor. She loved that and yelled her head off as I went as hard as I could.

Her bum was so tight that I pulled out and jizzed on her cheeks, but the youngsters were still going at it so I went down on the missus till I was hard again, then she climbed on top for some cowboy action. She was so noisy that I thought the roof was gunna cave in, but at some point I realised the couple next door had gone quiet. We'd beaten them! I was so happy.

We fucked for another three hours, until there was a knock on the door. The young spunk from next door looked tired and I thought she was gunna tell us to be quiet, but that's not what she wanted at all.

"My bloke can't keep up with me, so can I borrow yours?" she jokingly asked us.

Luck has it, the two youngsters broke up a few weeks later and I swiftly organised a threesome with my wife and the spunk next door. You bewdy!

COUNTRY LOVIN'!

AFTER breaking up with my boyfriend of five years I didn't even wanna leave the house, so my friends had to literally drag me out to the pub one night to cheer me up. I'm glad they did, because I met the man of my dreams.

I'm a city girl and have always gone out with suit-wearing wankers who treated me like shit, so I had a flutter in my stomach when a big, strong country boy walked in and ordered a schooner. He gave me a wink and walked over for a chat.

He told me his name was Steve and he was down from the mines in Kalgoorlie. He was cool and confident without being a dick like city boys, and when he suggested we go somewhere more private I said yes.

We got a couple of bottles of wine and went back to his hotel room, where we chatted and got drunk. He was such a charmer and so handsome, but after a while I was absolutely gagging for his cock!

After a good pashing session I unzipped his jeans and popped his massive meat dagger in my mouth. As I sucked, Steve fucked my mouth until he filled it with his spoof.

I expected him to roll over and go to sleep, but country boys are made of sterner stuff. He gave me the best head of my life, then lay me back on the bed and climbed on top. Shit, he was amazing! He slammed me hard, but was also tender and passionate. After the best root of my life, we came together.

A few days later I packed my bags and moved to Kalgoorlie with him. You can shove your city boys where the sun don't shine – I've got me a real man!

SNOW WORRIES!

MY WEEK in Thredbo had been going great. I'd been tuning this hot bird at our lodge bar for three nights and I was pretty sure I was going to crack it for a root in the next few days, plus I'd been ripping up the powder with my best mates. Everything was just beaut.

Then I fucked up on a hard run and broke my right leg.

The local hospital set my mangled limb in a cast and threw me in a wheelchair, so I made my mates take me back to the lodge so I could get wasted.

After a while they all went out and I was left there on the lounge, unable to move anywhere, and slowly running out of grog.

Then the front door opened and the chick I'd been trying to root walked in. Sasha was dressed in a leather nurse's outfit that was so tiny I could see her smoo poking out the bottom of it and her tits spilling out the top.

"Your mates told me what happened," she said with a smile as she sat on my lap. "I'm here to make it all better."

She started slowly grinding onto my cock, which felt like the only thing I hadn't broken. It was wide awake and struggling to break free of my pants.

Sasha freed the one-eyed monster and crammed it in her mouth, jiggling my loaded taddy sack with her hands as she sucked me off.

I couldn't take it anymore and she fucken knew it, so she mounted me and started to ride my cream cannon while she suffocated me with her poorly covered nub-nubs.

As she screamed herself to orgasm, I filled Sasha up with my spoof and she collapsed on top of me in a heaving mess.

I'm gunna start breaking my legs more often, I reckon!

We're massive furburger fans here at THE PICTURE, so we're always happy when a homie with a HAIRY SMOO turns up. ***When did you stop shaving, Fawn?*** "When I turned 23. I quit caring about the opinions of boys." ***You might not care, but WE love it!*** "Other men love it, too, I guess. My bush makes me feel beautiful." ***Do you reckon a lot of gals your age shave their fun zones?*** "They do but I think that's changing. Most of my friends are pretty hairy." ***Send them our way, Fawn. Done anything cool recently?*** "Climbing Mount Warning in northern NSW to see the sunrise on my birthday." ***Sounds pretty beaut! Where's the best place you've had a Donald Duck?*** "In a rainforest on a sunny day. The worst was in the outback where a spider bit me on the ARSE!"

STRANGEST PLACE YOU'VE FLASHED YOUR NORGS?

"Probably in the Daintree Rainforest. That was fun. I think maybe some hikers saw."

How long have you been in Oz?*** "Three months – I'm here mostly for work but there's still a bit of play going on." ***We hope so. Do you dig Aussie men?*** "Yeah, I think the accent's sexy, although there's a lot of uncut cock going on." ***Not a fan of the forey?*** "Most guys are circumcised back home and uncut cock just feels different." ***Good or bad different?*** "It might be my imagination but it feels like uncut guys fuck differently – but it feels about the same when it's in my mouth." ***We salute you.***

I'm also into spanking." ***What would you like to try shagwise?*** "Sex swings look fun, but I have flatmates and there's no way I'd be able to set it up." ***Maybe you can all chip in and have a communal sex swing. Or ask about a student discount. Do your flatties hear you rooting often?*** "I've been informed a few times that I'm a loud girl."

What are you into in the sack at the moment.*** "I'm into bondage – and ever since I read *Fifty Shades Of Grey* I'm even more into it." ***Why's that?*** "I work as a dancer, so I suppose I'm usually the one in control. It's great having the roles reversed in bed." ***What kind of man are you into?*** "Funny men who aren't cocky or throw money around." ***You'll like us then - we're skint!***

It's awesome," explains 28-year-old Brittany. ***What about the blokes?*** "Aussie guys are a lot more forward than Americans. At least the ones I've met, anyway." ***Have you had a one-night stand in Australia yet?*** "Not yet – the guys need to sober up a bit first. I don't mind drunk, but totally hammered is a different story." ***Carn Aussie blokes, lift ya game! Whaddaya do back home?*** "I'm a waitress. Anything with a beat really gets me going." ***We can tap our fingers pretty good. What kind of men do you fall for?*** "Sexy men who are tall and handsome." ***Do you like Aussie blokes or are we annoying?*** "Yes, they're very friendly to me." ***It's definitely not hard to see why, Nico.***

STRANGEST PLACE YOU'VE FLASHED YOUR NORGS? "Flashing them in this magazine is probably one of the craziest things I've done. Otherwise it was one night when I was clubbing and they sprayed foam everywhere so I took off my top to not get it wet and dirty."

VANESSA // 27

ADELAIDE, SA

"I'm probably in the gym 4-6 days a week, but I only work out for about an hour," explains 27-year-old Vanessa. ***Don't wanna spend any more time than you have to in there, right.*** "Exactly – although beer's my one vice and I have to keep that in check or else." ***You're preaching to the choir, Vanessa. What about BONKING? Like that to go for longer than your gym sessions?*** "Not really. I'm more of a wham-bam kind of girl and like to get out of there once I've orgasmed." ***You're not a big fan of sex?*** "I love it, but it doesn't seem to last that long for me." ***Maybe it's your partner selection. Do you like buff blokes?*** "No, I'm more attracted to a guy with a sense of humour. Looks aren't that important to me." ***Phew.***

STRANGEST PLACE YOU'VE FLASHED YOUR NORGS? "I can't think of anywhere strange. I'm not that kind of girl."

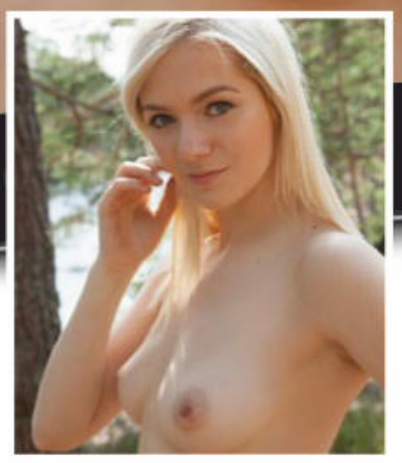
$400 HOMIE OF THE WEEK



KATIE // 20

HOBART, TAS

Katie is here to dispel all those jokes about Taswegians having extra fingers and toes or growing a tail. "I hate when people make fun of Tasmanians," blurts the 20-year-old student. ***Yeah, us too. Having 12 fingers would be heaps awesome.*** "No, that's not what I mean. We're a lovely people." ***What do you get up to down there?*** "I love having sex in sneaky outdoor places like parks and side streets." ***Where's the craziest place you've ever copped a root?*** "I joined the Mile-High Club on a flight to Sydney with a guy I was seeing." ***How'd you go about it?*** "We snuck into the same toilet and had the quickest fuck ever. It was all over in about 30 seconds. I gave him a bit of a handjob at our seats to warm him up." ***That's the real spirit of Tasmania.***

STRANGEST PLACE YOU'VE FLASHED YOUR NORGS? "In the crowd at a music festival."
